

Abstract Submission Guidelines

Welcome to the TIIKM Abstract Submission System

Thank you for your interest in submitting your research to a TIIKM conference. Please carefully review the following guidelines before preparing and submitting your abstract.

Before You Begin

Ensure that you have the following information ready before starting your submission:

Abstract Requirements

Your abstract should include:

- Title of the research paper
- Author and co-author names
- Author affiliations and email ID
- Abstract content written as a single paragraph (No sub headings)
- 5-6 keywords
- Short biography of the presenting author

Abstract Format

Requirement	Specification
Abstract Length	175-275 words
Structure	Single paragraph, no subheadings
Keywords	5-6 keywords separated by commas
Biography Length	50-150 words
Language	English
File Preparation	Prepare the abstract in advance for easy copying and pasting

Submission Process

Step 1: Access the Submission Portal

Click the "Submit Abstract" button available on the conference website.

Step 2: Create or Access Your Account

Enter your email address in the submission system.

- If you have previously participated in a TIIKM conference, your existing profile may already be available.
- Existing users can update their profile information if necessary, and click the New submission button and submit your abstract.
- New users will be prompted to create an author profile.

Step 3: Complete Your Author Profile

Provide the following information accurately:

- Title
- Full name
- Nationality
- Contact number
- Email address
- Institutional affiliation
- Department/Faculty
- Designation

Please ensure that all details are accurate, as they may be used for conference records, certificates, and official communications.

Step 4: Select Registration Information

Choose the appropriate:

- Participation Mode (Physical/Virtual)
- Presentation Mode
- Author Category
- Participation Category

Student Category

Participants selecting the Student Category (High school students, undergraduate, master's, MPhil, or PhD students) may be requested to provide proof of student status, such as:

- Student ID card
- Enrollment letter
- Official confirmation from the institution

Group Registration

Group registration benefits may be available for submissions involving four (4) or more participants from the same institution or research group. Please refer to the conference registration guidelines for eligibility requirements.

Step 5: Additional Information

You may be asked to provide:

- Reference or promotional code (if applicable)
 - Information source about the conference
 - Dietary requirements
 - Accessibility requirements
 - Special requests
-

Abstract Submission

Research Details

Complete the following information:

1. Research Type

Select the most suitable research category for your submission.

2. Research Title

Enter the title of your research paper exactly as intended for publication.

3. Conference Track

Select the conference track most relevant to your research topic.

4. Conference Sub-Track

Select the applicable sub-track where available.

5. Abstract Content

Paste your abstract into the designated text area.

Requirements:

- 175-275 words
- Single paragraph
- No headings or subheadings
- Clear objectives, methodology, findings, and significance

Abstracts that do not comply with the specified requirements may be returned for revision or rejected.

6. Keywords

Provide 5-6 keywords separated by commas.

Example:

Higher Education, Sustainability, Digital Learning,
Innovation, Student Engagement, Research

7. Author Biography

Provide a short biography of the presenting author.

Requirements:

- Minimum: 50 words
- Maximum: 150 words

Adding Co-Authors

If your paper includes co-authors:

1. Click **Add Co-Author**.
2. Search using the co-author's email address.
3. If the co-author has previously participated in a TIIKM conference, their profile information may be automatically retrieved.
4. If no profile exists, enter the required information manually.
5. Save the co-author details.
6. Repeat the process for additional co-authors.

Important

If co-authors intend to attend the conference or be associated with the submission, they should be added during the abstract submission process.

Final Review and Submission

Before submitting, ensure that:

- ✓ All author details are accurate
- ✓ The abstract complies with the word limit
- ✓ Keywords are included
- ✓ The presenting author biography is completed
- ✓ Appropriate track and sub-track selections are made
- ✓ All co-authors have been added correctly

Once verified, click **Submit** to complete your abstract submission.

After Submission

After successful submission:

- A confirmation email will be sent to your registered email address.
 - Please check both your Inbox and Spam/Junk folders.
 - All future communications regarding review outcomes, acceptance decisions, and registration instructions will be sent to the registered email address.
-

Need Assistance?

If you experience any difficulties during the submission process, please contact the conference secretariat using this email address <Email> or contact information provided on the conference website.
